## OUR SERVICES

### HAIR

Color is our specialty! You are in the hands of some of the best haircolorists in the U.S. (designated by *Allure* & *Elle* magazines). Our staff is certified by the Board of American Certified Haircolorists. Whether you are looking for a little spark or an explosion of color, we will deliver.

All hair services start with a personal consultation. Your visit will include our signature stress relieving shampoo in our peaceful "Shampoo Sanctuary." Our versatile staff members share extensive experience in custom cutting and styling, texturizing, thermal relaxing, and special occasion hair. Treat yourself to a customized hair spa rejuvenating treatment.

### MAKEUP & WAXING

Complement your new hairstyle/color with a visit to Jordan, our in-house makeup artist extraordinaire! She brings a refreshing perspective to her work, sharing the new colors and techniques for each season by providing complimentary applications and personalized recommendations. Redefine your image with an interactive makeup lesson or custom application for that special evening. Brow shaping is one of her specialties. Jordan has trained extensively in the U.S. and Europe, and is regularly in demand to share her skills and knowledge with other makeup artists. We are pleased to exclusively offer Jordan's own makeup line, *Paint*.

## **NAILS**

It's amazing how good you feel after having your nails done! We offer two levels of nail services. Our aromatherapy nails include basic shaping and cuticle attention, finished with a moisturizer, mini-massage, and polish. For the ultimate gift to your hands and feet, choose spa nail services. Each provides a relaxing experience resulting in silky smooth skin. In addition to the basics, you will enjoy a two-step citrus exfoliation, and a luxurious massage with a vitamin-C rich moisturizer. A warm paraffin dip, covered with heated mitts/booties completes the moisturizing process.

## **MASSAGE**

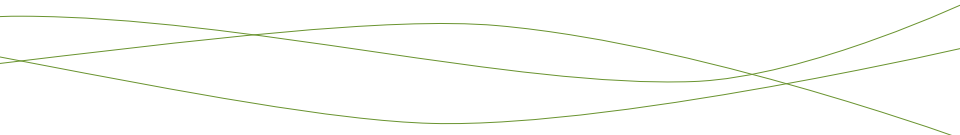

Need to recharge from the hectic pace of your day? Then experience our *Take a Break* seated massage. Services are performed while you are fully clothed, concentrating on your shoulders, neck, back and arms. We guarantee that you will feel refreshed both physically and mentally. Massages are available in either 15 or 30 minute sessions.

Unwind with our Comfort Hot Stone seated massage (30 minutes). Based on ancient healing arts, this technique provides therapy in the same basic areas while utilizing water heated polished stones. Feel your stress melt away as the warmth soothes your tired muscles.

## **WEDDING/VIP SERVICES**

Make it a party! All of our services can be provided to groups in our private lower level. Enjoy the company of friends and family while getting ready for that big event. At your request, we can even provide food & beverages for groups of 5 or more.

Not getting married? How about a Sweet 16 or a 40th birthday party? We'd love to pamper you and your guests for any special occasion or "Just because..."
